

Africa Climate Change Fund

Request for ACCF Funding

(First assessment of eligibility under the available ACCF funding)

SECTION	SIZE	INSTRUCTIONS
APPLICATION SUMMARY	1 page	This one-page summary provides a quick-snapshot of relevant sections of the proposal. Ensure consistency with the body of the document. The summary should include the name and division of the Bank's Task Manager for the proposal.
BACKGROUND & RATIONALE	1 page	<p>This section should provide sufficient background to understand the context in which the project or programme will be implemented, the rationale behind the project or programme and a convincing justification for the use of ACCF resources.</p> <p>Summarize the national and sectoral context in which the project/activities will be implemented, including a summary of relevant national policies, regulatory and sector issues. This paragraph should show how the project or programme fits with the national development objectives and the policy/regulatory framework.</p> <p>Provide a brief description of the project/activities "raison d'être" including the challenges addressed and development impacts. Also mention what previous work or activities have been or are being carried out in relation to this request.</p> <p>Demonstrate the project's fit with ACCF scope as indicated in the ACCF documentation. Reference should also be made to alignment with the AfDB Strategy 2013-2022 and the Bank's Country Strategy Paper¹.</p>
Country Context and Sector Issues		
Project Description and Rationale		
Justification for ACCF Intervention		
OBJECTIVES, ACTIVITIES & EXPECTED OUTCOMES	3 pages	<p>This section should provide an understanding of the nature, duration, cost and implementation modalities of activities to be undertaken with ACCF funding.</p> <p>Provide a description of the objectives of the project or programme (what is to be achieved by this intervention?), which should have a clear logical linkage with ACCF objectives.</p> <p>This section should clarify whether the grant will be executed directly by the recipient, or if the Bank (which division?) would execute the grant on behalf of the recipient. If the grant is to be executed by directly by the recipient, the section should provide a brief description of the executing agency, showing its ability to execute such funding in accordance with Bank's rules and procedures (procurement and fiduciary management). Provide a detailed description of each activity under the proposed ACCF grant, including timelines and responsible parties for each activity. In case specific studies or consultancies are required, include Terms of References (TORs).</p> <p>Provide, preferably in tabular format, a summary of the expected outputs, outcomes, deliverables and impacts for each activity carried out with the ACCF grant (if possible with measurable indicators).</p> <p>Provide a timeline/timeframe of the ACCF-funded activities.</p> <p>Provide a breakdown (in tabular format) of the ACCF-funded activities and their relevant costs, distributed over the timeline of the project. Consultancy rates have to be based on the Bank standards².</p>
Objectives		
Grant Recipient/ Executing Agency		
Grant Activities		
Expected Outcomes & Impacts		
Implementation Schedule		
Budget/Cost Structure		
CONCLUSION	1/2 page	This section should provide convincing final conclusions, based on the demonstrated need and likely success of the project, for support under ACCF.
ANNEXES		
Logical Framework		Provide a logical framework for the grant-supported activities, outputs and outcomes

¹ Applicants may request the AfDB field office in their country or the ACCF Secretariat for this documentation

² Applicants may request the AfDB field office in their country or the ACCF Secretariat for this documentation

SECTION	SIZE	INSTRUCTIONS
Terms of Reference		Provide draft TORs for all work to be carried out by consultants under ACCF-supported activities of the project preparation
