Procurement Notice

This Specific Procurement Notice follows the General Procurement Notice for this project which appeared in UNDB issue No. 792 dated February 16, 2011.

The Government of Arab Republic of Egypt has secured a loan from the African Development Bank (ADB) in the amount equivalent to USD 550 million, and intends to apply part of the proceeds of the financing to cover eligible payments under the Contract for the design and supply of the Feedwater Heaters for Suez Thermal Power Plant.

Bidding is open to all Bidders from eligible member countries as defined in the ADB's Rules and Procedures for Procurement of Goods and Works (May 2008 edition).

The scope of work includes, but is not limited to, designing, fabricating, furnishing, shop testing, delivery, and providing on-site technical assistance during installation, commissioning, startup and field-testing for the Feedwater Heaters for Suez Thermal Power Plant.

East Delta Electricity Production Company (EDEPC), the beneficiary of the financing/Executing Agency, now invites sealed Bids from prospective Bidders for the above-mentioned package.

Complete sets of the Bid Document may be purchased from EDEPC's offices located at the following address:
