LAKE VICTORIA WATER SUPPLY AND SANITATION PROGRAM PHASE II

REQUEST FOR EXPRESSION OF INTEREST

TENDER NO: REGIDESO/EOI/LVWATSAN/001/2011

This request for expressions of interest follows the general procurement notice for this program that appeared in the UN Development Business online on 18 January 2011.

The Government of Burundi, through the East African Community (EAC), has received a grant from the African Development Fund (ADF) and intends, through REGIDESO, to apply part of the proceeds of this grant to eligible payments for consultancy services for design and supervision services for water and sanitation schemes in the focal towns of Muyinga, Kayanza and Ngozi in Burundi.

The services include update of the feasibility design parameters, design and supervise construction of an efficient, cost-effective and sustainable water, sanitation and solid waste management infrastructure that will increase access to potable water and sanitation services. The duration of the services is for three years from October 2011.

REGIDESO now invites consulting firms to indicate their interest in providing the services. Interested firms must provide a statement of capability and experience indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, proof of legal status, etc.).

A short list of six firms will be compiled in accordance with the procedures set out in the African Development Bank's "*Rules and Procedures for the Use of Consultants*", which is available on the Bank's website at <http://www.afdb.org>. The Recipient is under no obligation to shortlist any consultant who expresses interest.

Written expressions of interest must be delivered to the address below on or before **10.00 AM, 23rd June 2011**.
