AFRICAN TRADE INSURANCE COMPANY STRATEGIC EXPANSION

REQUEST FOR EXPRESSIONS OF INTEREST

The African Trade Insurance Company (ATI) has received a grant from the Fund for African Private Sector Assistance (FAPA), which is sponsored by the Government of Japan and administered by the African Development Bank. ATI intends to apply part of the proceeds of this grant to eligible payments under the contract seeking a consultancy to develop and implement a performance management system to enhance management by objectives and internal efforts for achieving set goals.

The overall purpose of the Performance Management System will be to assist ATI in the effective coordination of its internal and external processes through the involvement of every staff member in achieving the set goes as per Business Strategy. The consultant will be required to ensure the system is adequately implemented through capacity building activities with ATI staff and management.

ATI now invites consulting firms to indicate their interest in providing the services. Interested firms must provide a statement of capability and experience indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). This advertisement is open to consultants from eligible source countries.

A short list of six firms will be compiled in accordance with the procedures set out in the African Development Bank's *Rules of Procedure for the Use of Consultants*.

Written expressions of interest must be delivered to the address below by 17h00 on 26 February 2010.
