

Green Growth in Africa

Title: How do we mobilize climate finance for green growth in Africa?

Saturday, December 5
Africa Pavilion

Session: 15:30 – 17:00

Reception: 17:00 – 18:00

=====

Abstract

This side event will explore how we may best mobilize climate finance for green growth in Africa. Senior representatives from Ethiopia’s Climate-Resilient Green Economy Facility, Rwanda’s National Fund for Environment and Climate Change, Senegal and Uganda will discuss how they are dealing with the challenge of mobilizing climate finance for their green growth programs and projects.

=====
