REQUEST FOR EXPRESSIONS OF INTEREST
(CONSULTANT SERVICES)

PROJECT: Power Transmission and Distribution System Development in Cape Verde
Loan No.: 2100150025496

Project ID No.: P-CV-FA0-002

The Government of the Republic of Cape Verde has received loans from the African Development Fund and Japan International Corporation Agency toward the cost of Transmission and Distribution System Development Project in six Islands of Cape Verde, and intends to apply part of the agreed amount for these loans to payments under the contract for Environmental and Social Consultancy Service component.

Following the preparation of the Project’s Environmental and Social Impact Assessment (ESIA) an Environmental and Social Management Plan has been prepared. It is in this context the Government of Cape Verde intends to hire a consultant to assist the project implementation Unit (UGPE) in the monitoring of the referenced plan. The duration of the assignment is 23 months.

The Ministry of Tourism, Industry and Energy, General Direction of Energy - Management Unit for Special Projects, now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc).

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the use of Consultants” May 2008 Edition, Revised July 2012, which is available on the Bank’s website at http://www.afdb.org. The Borrower is under no obligation to shortlist any consultant who expresses interest.

Interested consultants may obtain further information at the address below during office hours 09:00 to 14:00 hours, local time.

Expressions of interest must be delivered to the address below by September 27th, 2012 and mention “Recruitment of a Consultant for assisting the UGPE in monitoring the environmental and social components in the scope of the Power Transmission and Distribution System Development in Cape Verde”.
