1. The Government of the Republic of Cape Verde has received a loan from the African Development Bank to finance the tax and revenue administration reform project, which aims at making the tax system fair, simple, efficient and customer service oriented.

2. The strategic objectives of this project are:
   a. To improve the quality of taxpayer services by the simplification and modernization of processes and procedures, the promotion of e-filling and e-payment, the upgrade of the taxpayer current account and also by broadening awareness campaigns;
   b. To facilitate trade through registration and formalization of tax administration;
   c. To optimize revenue collections through the implementation of a risk based audit system, sustained by semi-automatic data cross-checking and enhanced analysis tools;
   d. To implement an effective management information system by tracking of progress on strategic objectives and key performance indicators;
   e. To develop a human resources management system, and
   f. To make fiscal administration taxpayer friendly and taxation easier to comply

3. The project includes the following two components:
   a. Implementing fiscal framework adjustments for the private sector. This component is composed of two sub-components:
      1. Making the necessary fiscal framework adjustments and
      2. Implementing the exceptional tax adjustment regime;
   b. Improving resource mobilization through enhanced control and monitoring of the tax system. This component is composed of two sub-components, namely:
      1. Implementing control and continuous monitoring procedures and systems for enhanced tax collection and
      2. Introducing specific procedures and systems to mitigate the risk of fiscal fraud and tax evasion.
4. Procurement of National Competitive Bidding (NCB) and Shopping contracts will be carried out in accordance with the national procurement law; Law No. 17/VII/2007 dated September 10, 2007 and updated on January 5, 2009, using the national Standard Bidding Documents.

5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
