ERITREA

GROUNDWATER ASSESSMENT, AQUIFER MAPPING AND WELL DEVELOPMENT

Assessment of Groundwater Potential and Validation of Potential Sites

SECTOR: WATER RESOURCES
Financing Agreement reference:
Project ID No.: P-ER-EAA-001

The Government of The State of Eritrea has received financing from the African Development Bank toward the cost of the Groundwater Assessment, Aquifer Mapping and Well Development, and intends to apply part of the agreed amount for this loan to payments under the contract for the services of Groundwater Assessment, Aquifer Mapping and well Development.

The services included under this project are assessment of groundwater potential in ninety (90) selected communities with a view to facilitate sustainable use and management as a source of water supply and to validate thirteen (13) potential sites that have already been identified as suitable aquifers through groundwater drilling and pump testing. The Ministry of Lands, Water and Environment (MoLWE) will be the Executing Agency for the project. The assignment will be implemented over six (6) calendar months. The project management unit is responsible for day to day coordination of project implementation.

The Ministry of Land, Water and Environment now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s Procurement Policy, October 2015, which is available on the Bank’s website at http://www.afdb.org.

Interested consultants may obtain further information at the address below during office hours - 9:00 A.M. to 15:00 P.M.

Expressions of interest must be delivered to the address below by 21 April 2017 at 15:00 P.M. and mention “Consultancy Service for Groundwater Assessment, Aquifer Mapping and Well Development”.
