(CONSULTING SERVICES-FIRM SELECTION)

**GREATER ACCRA SUSTAINABLE SANITATION AND LIVELIHOODS
IMPROVEMENT PROJECT (GASSLIP)**

**CONSULTANCY SERVICE FOR COMMUNITY MOBILIZATION/SENSITIZATION
CAMPAIGN - GASSLIP/S/003**

The Government of the Republic of Ghana has received financing from the African Development Bank in the amount UA 40.9 million (US\$ 55.6m) towards the cost of the Greater Accra Sustainable Sanitation and Livelihoods Improvement Project (GAS-SLIP), and it intends to apply part of the agreed amount for this loan to payments under the contract for the **Consultancy Service for Community Mobilization/Sensitization Campaign**.

The Project aims to increase access to safe and sustainable sanitation to the residents of the Greater Accra Metropolitan Area (GAMA), targeting the urban and peril-urban poor residents. The Project will provide domestic and municipal level sanitation infrastructure, support skills development and livelihood improvements, and enhance the capacity of sanitation service providers and the participating local government authorities to better deliver and manage climate resilient sanitation services within GAMA.

The overall objective of the Project is to improve the socio-economic well-being and health standards of the urban poor within the Greater Accra Metropolitan Area. The specific objectives are (a) to increase access to improved and sustainable climate resilient sanitation and hygiene with improved livelihoods for the urban poor, and (b) to strengthen public and private sector capacity to better deliver and manage sanitation infrastructure and services.

Scope of work

Specifically, the consultant will;

- Provide effective, broad stakeholders consultations to balanced participation of relevant and identifiable stakeholder groups
- Generate a better understanding of stakeholder perspectives on key issues.
- Build strong relationships with partners, institutions, agencies to ensure openness and transparency
- Build rapport and commit to long-term relationships with stakeholders for project sustainability.
- Create sufficient awareness, voice, responsiveness, participation and campaign of the project goals to all stakeholders.

- Monitor and assess the process of sensitization, identify next steps needed to be taken by stakeholders and definition of roles of each stakeholder in the post engagements process.
- Participate, share and educate stakeholders including communities on GASLIP's operational processes.
- Conduct baseline data collection including physical conditions, sites soil characteristics, topography, space availability for household toilets.
- Identify activities, existing community groups and organizations for advocacy in WASH.
- Facilitation of interactions between households/landlords, sanitation solution providers, microfinance institutions and the MMAs Environmental Health Officers.

The project activities have been divided into Four (4) zones/lots for easy monitoring of the outcomes. Namely;

- Zone/Lot 1: Accra Metropolitan Assembly (AMA), Tema Metropolitan Assembly
- Zone/lot 2: La-Dadekotopon Municipal, Ledzokuku-Krowor Municipal
- Zone/Lot 3: Ga West, Ga South, Ga East and Ga Central Municipal Assemblies
- Zone/Lot 4: La-Nkwantanang Madina, Adenta and Ashaiman Municipal Assemblies
