LOWLANDS RURAL WATER SUPPLY AND SANITATION PROJECT

ENGINEERING SUPERVISION OF WATER SUPPLY INFRASTRUCTURE IN TWO ADDITIONAL ZONES IN BEREA AND MASERU DISTRICTS

Sector: Rural Water Supply and Sanitation Sector
Financing Agreement reference: Grant No.: 5800155001201
Project ID No.: P-LS-E00-002

The Government of the Kingdom of Lesotho has received financing from the African Development Bank administered by Rural Water Supply and Sanitation Initiative (RWSSI) Trust Fund towards the cost of the Lowlands Rural Water Supply and Sanitation Project. It intends to apply part of the agreed amount for the Grant to payments under the contract for services of Engineering Supervision of Water Supply Infrastructure in two Additional Zones in Berea and Maseru Districts.

The objective of the present assignment is to review the designs previously prepared by the MDJV consultants under IDA funding to ensure continued viability for construction in the selected project areas and to carry out the supervision of works tendered out by the client from the point of appointment of contractors to completion including post construction monitoring.

The services included under this project are for the Consultants to undertake the following major activities:

A. Act as the Project Manager as defined by the Conditions of Contract for construction, and to that extent:
B. Ensure the quality of materials and workmanship and proper execution of work in accordance with the contract
C. Review and as appropriate act on requests for change of scope from the contractor or the client
D. Certify payments to the contractors
E. Maintain proper records of execution of work and prepare progress reports and the final Works Completion Report
F. Issue take over and final completion certificates

The estimate duration of the assignment is 10 months and expected input is 32 staff months.

The Water Commission now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the use of Consultants” September 2010 revised July 2012, which is available on the Bank’s website at http://www.afdb.org.

Interested consultants may obtain further information at the address below during office hours (08h00 to 16h00 local time - 06h00 – 14h00 GMT),

Expressions of interest must be delivered to the address below by 15h30 on 23rd June 2017 and mention “Design of Strategy for Financing Rural Sanitation Services,”
