Technical Assistance and Capacity Building for Dam Development

Water Sector

Financing Agreement reference: 5500155007601

Project ID No.: P-MU-EAZ-001

The Government of Mauritius/Ministry of Energy and Public Utilities has received financing from the African Development Bank toward the cost of Technical Assistance and Capacity Building for Dam Development, and intends to apply the agreed amount for this grant to payment under the contract for the appointment of an International Independent Panel of Experts for Technical Assistance and Capacity Building for Dam Development.

The Government of Mauritius/Ministry of Energy and Public Utilities intends to hire an Engineering Geology/Geotechnical Expert and a Hydrologist to serve as members of an International Independent Panel of Experts (hereinafter referred to as the ‘Panel’) on an “as and when required basis” to provide expert services and advice on dam development, including dam design and construction over a period of 24 months from the date of commencement of services.

Selection of the experts will be made by the MEPU on an individual basis and the candidates will have to be from the member countries of the African Development Bank (AfDB).

The Ministry of Energy and Public Utilities invites eligible individual consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (documents, CVs, reference to similar assignments, experience in similar conditions, etc.). Please, note that interest expressed by a Consultant does not imply any obligation on the part of MEPU to include him/her in the shortlist.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the use of Consultants” May 2008 Edition, as revised in July 2012 or as amended from time to time, which is available on the Bank’s website at http://www.afdb.org.

Interested individual consultants may obtain further information at the address below.

Expression of interest must be delivered to the address below by 29 July at 14.00 hrs (Local Time) and mention “Expert Services for Technical Assistance and Capacity Development for Dam Development - Engineering Geology/Geotechnical Expert and Hydrologist”.
