REQUEST FOR EXPRESSIONS OF INTEREST  
(CONSULTING SERVICES)  
TRANSPORT INFRASTRUCTURE IMPROVEMENT PROJECT

The services included under this project, are to undertake a Technical Audit of the proposed road upgrade aimed at assessing, evaluating and providing a factual report on the effectiveness of the processes and procedures in use during the implementation of the project. The services will entail inspection of the works during construction and upon completion, verification of materials, measurement and valuation of works and random sampling and testing to check compliance with specifications. The output of the services shall be a Technical Audit Report and a Technical Management Letter. The Executing Agency for the project is the Ministry of Works and Transport, with the Roads Authority charged with the responsibility to manage these services. The services are expected to be implemented over a 42-month period with intermittent inputs.

The Roads Authority of Namibia now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s ‘Procurement Policy and Methodology for Bank Group Funded Operations (BPM)’, dated October 2015 which is available on the Bank’s website [http://www.afdb.org](http://www.afdb.org).
