RESILIENT WATER PROJECT FOR IMPROVED LIVELIHOODS IN JUBA (RWPI LJ)

Baseline study (tariff, block mapping and consumer database) for Juba City Center

Loan/Financing No: 5900155010353
Project ID No: P-SS-E00-002
EOI No: SSUWC/SRVCS/QCBS/16-17/007

The Government of South Sudan has received financing from the African Development Bank toward the cost of the Resilient Water Project for Improved Livelihoods in Juba (RWPI LJ) implemented by South Sudan Urban Water Corporation. It intended that part of the agreed amount for this Grant shall be used for payments under the contract for Consultancy services for a baseline study (tariff, block mapping and consumer database) for Juba City Center.

The Scope of Works that has been determined to achieve the project objective(s) includes the following;

1. Review all technical documents related to the project
2. Conduct needs assessment; this will include assessing the adequacy of the Electro-mechanical components in the current treatment plant and providing recommendations as well as finalising studies on water demand in the project area. (A site visit is mandatory at this stage)
3. Develop consumer database including the service levels. This should be presented in form of consumer block maps and figures tabulated in suitable spread sheets
4. Provide hydraulic calculations and determine pipe sizing and materials for distribution network following result of (3) above.
5. Prepare reticulation network layout drawings in appropriate format, prepare cost estimate and work specifications (As output from (4) above)
6. Review current tariff and recommend appropriate tariff based on consumer characteristics and derived service level from (2) and (3) above and preliminary cost outlay from activity (5)
7. Prepare and submit baseline studies reports in formats detailed in the ToR

The above assignments are expected to be completed within Five (05) months.

The South Sudan Urban Water Corporation now invites consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s Procurement Policy for Bank Group Funded Operations, dated October 2015, which is available on the Bank’s website at http://www.afdb.org. The borrower is under no obligation to shortlist any consultant who expresses interest.

Interested consultants may obtain further information at the address below during office hours (9:00AM to 4:00PM).

Expressions of interest must be delivered to the address below by 11:00 am local time on Tuesday, 16th May 2017 in a sealed envelope clearly marked “Consultancy services for a baseline study (tariff, block mapping and consumer database) for Juba City Center, South Sudan”
