SOUTH SUDAN URBAN WATER CORPORATION

RESILIENT WATER PROJECT FOR IMPROVED LIVELIHOODS IN JUBA (RWPIJ)

Design and supervision of works for the upgrade and extension of existing water infrastructure and extension of water distribution network in Juba Center.

Loan/Financing No: 5900155010353
Project ID No: P-SS-E00-002
EOI No: SSUWC/SRVCS/QCBS/16-17/006

The Government of South Sudan has received financing from the African Development Bank towards the cost of the Resilient Water Project for Improved Livelihoods in Juba (RWPIJ) implemented by South Sudan Urban Water Corporation (SSUWC). It is intended that part of the agreed amount for this Grant shall be used for payments under the contract for Consultancy services for the design and supervision of works for the upgrade and extension of existing water infrastructure and extension of water distribution network in Juba Center.

The services included under this project will generally include:

A. Design Phase
   1. Site visit to test and validate existing infrastructure and materials
   2. Preparation of all the architectural, engineering designs and all other requisite drawings
   3. Preparation of Bills of Quantities (BOQ) and tender documents for works contract
   4. Preparation of all materials, works and goods specifications (i.e. Generators, and all related electromechanical equipment)
   5. Preparation of the cost estimate for required materials, works and equipment.

B. Supervision Phase
   On behalf of the client, supervise the rehabilitation and upgrading works contract execution of all obligations entrusted to the Engineer in accordance with the contract to be signed between the Client and Contractor.

The above assignment, both phases, is expected to be completed within Thirty six (36) months

The South Sudan Urban Water Corporation now invites consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s Procurement Policy for Bank Group Funded Operations, dated October 2015, which is available on the Bank’s website at http://www.afdb.org. The borrower is under no obligation to shortlist any consultant who expresses interest.

Interested consultants may obtain further information at the address below during office hours (9:00AM to 4:00PM).
Expressions of interest must be delivered to the address below by 11:00 am local time on Tuesday, 16th May 2017 in a sealed envelope clearly marked “Design and Supervision of Works for the upgrade and extension of existing water infrastructure and extension of water distribution network in Juba Centre”
