TERMS OF REFERENCE (TOR) FOR A SHORT-TERM CONSULTANT-ENVIRONMENTAL AND SOCIAL SPECIALIST

**African Development Bank
5, Avenue Du Dollar
IMM ZAHRABED, Les Berges du Lac II
Tunis- Tunisie
Téléphone : +216 71 10 30 09**

1. Introduction

The African Development Bank (AfDB) Group wishes to recruit a short term Consultant-Environmental Specialist to provide services within a multi-disciplinary team of environmental specialists and social development specialists on operational activities through the identification, preparation, appraisal, approval, supervision, and completion of projects and programs. The Consultant shall work with the Environmental and Social Experts of the Safeguard and Compliance Department (SNSC) based in Tunis within the implementation Unit RGDN3. The SNSC department provides services on a broad range of public and private sector projects across the entire Bank. SNSC is responsible for supporting project teams in developing and monitoring operations in a socially and environmentally sustainable manner.

2. Duties

The Consultant Specialist will work under the general supervision and guidance of the Director Safeguard and Compliance Department (SNSC) and the OIC Environmental and social Safeguards coordinator of SNSC in Tunis. The Consultant shall be assigned tasks related to operations being designed, implemented, and monitored.

His/her core duties will include the following:

- Reviewing Environmental and Social Impact Assessment (ESIA), Strategic Environmental and Social Assessment (SESA), Environmental and Social Management Plan (ESMP), Full or Abbreviated Resettlement Action Plans (RAPs), Community Development Plans (CDPs), Livelihood Restoration Plans (LRPs), Environmental and Social Management Framework (ESMF) and Environmental and Social Management System (ESMS) and prepare where applicable summaries for disclosure on the Bank's website;
- Analyse and mainstream relevant and cross-cutting environmental and social issues into Bank operations, particularly issues related to gender, involuntary resettlement, stakeholder engagement and the social implications of climate change;
- monitoring compliance of operations with the Bank's environmental and social safeguards, policies, and guidelines consistent with the Bank's ISS;
- undertaking compliance audits concerning the design and implementation modalities and E&S reporting requirements for projects and programmes;
- Undertake any other duties as deemed necessary by SNSC Management.

3. Identified Deliverables

Counting on strong analytical and writing skills, the Consultant shall be expected to make written contributions and participate in the following:

- (Draft relevant sections of the Executive Summaries of the E&S documentation (ESIAs and/or RAPs) for review by SNSC, posting on the Bank's website, and distribution to the Bank's Board of Directors in line with the ISS public disclosure requirements.
- Draft and/or contribute to drafting relevant sections of other required E&S reports/ documentation.
- Draft and/or contribute to drafting report templates for monitoring E&S impacts.
- Contribute to drafting Management responses to Board queries highlighting environmental considerations linked to projects and programs.
- Provide relevant information on environmental impacts for inclusion in reports in cases of a project/ program being subjected to the IRM.
- Participate in due diligence missions related to the identification, preparation, appraisal, supervision, and completion of projects/ programs.
- Review bidding documents and contracts in particular environmental and social clauses.

4. Selection Criteria

- a. At least a Master's Degree in Environmental Studies, Natural Resource Management, Environmental Policy, Earth/Geoscience, and environment-related discipline;
- b. A minimum of ten (10) years of relevant professional experience in the areas of environmental and social management, natural resource management, environmental assessment, environmental monitoring and environmental compliance, management of resettlement and compensation processes, engagement and public consultations;
- c. Experience in preparing and managing the implementation of ESIAs, ESMPs, ESMF, Full or Abbreviated Resettlement Action Plans (RAPs), including social aspects of development projects (e.g. health and safety, involuntary resettlement and gender components), operations monitoring and evaluation, and compliance assessment;
- d. Knowledge and experience in multi-criteria assessment, stakeholder engagement and consultation, community participation, with analytical skills in assessing institutional capacities and designing/reviewing practical implementation arrangements for complex projects, especially in Africa;
- e. Well-rounded understanding of critical issues in sustainable development, international environment and development policy, climate change, gender, social enhancement measures, labor, youth employment, etc.
- f. Good experience with the donors agencies and the Bank,
- g. Ability to communicate and write effectively in English and/or French, with preference for capabilities in both languages

5. Contract Duration

The estimated duration of services is 6 months. The estimated starting date is July 1st, 2018. The duty station of the consultant will be Tunis. The consultant will be expected to undertake frequent duty travels outside Tunis.

6. Duty Station

The Consultant shall be stationed in Tunis in the AFDB Regional Office for North Africa – Tunis.
