Loan No 2100150034694

The Government of Uganda has received financing from the African Development Bank towards the Water Supply and Sanitation Programme-Phase II and intends to use part of the loan to pay for consultancy services for engineering supervision of construction works for 2 gravity flow schemes in the rural areas of Nebbi and Agago Districts in West-Nile and Northern regions respectively.

Services to be provided under this project include engineering supervision of works procured under two separate construction contracts;

a) Nyarwodho Phase-II Gravity Flow Scheme in Nebbi District  
b) Orom Phase-II Gravity Flow Scheme in Agago District

The combined summary scope of works under the above contracts includes;

1) Construction of 1 no. river intake works  
2) Construction of 1 no. conventional water treatment plant.  
3) Transmission and distribution mains totalling 220 km ranging OD 25-225mm.  
4) Installation of storage tanks totalling 1,200 m³ capacity.  
5) Installations of 3,600 consumer connections.  
6) Construction of 10 public water borne sanitation facilities.

The supervision services shall specifically entail administration of the construction contracts and ensuring that the contractual clauses with respect to both quality and quantity of works are adhered to and the works are constructed in accordance with the provisions of the construction contract. The services shall be required for a period of approximately 47 calendar months inclusive of a 12 months low intensity period of monitoring correction of defects.

The Ministry of Water and Environment now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (profiles, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the Use of
