REQUEST FOR EXPRESSION OF INTEREST

REPUBLIC OF ZAMBIA

NORTHERN PROVINCE PROCUREMENT COMMITTEE

LAKE TANGANYIKA DEVELOPMENT PROJECT

CONSULTANCY SERVICES TO CONDUCT FEASIBILITY STUDIES, DETAILED ENGINEERING DESIGNS, AND TENDER DOCUMENT PREPARATION FOR PUBLIC INFRASTRUCTURE IN MPULUNGU AND NSAMA DISTRICTS - NORTHERN PROVINCE. NPPC/S/01/2017

SECTOR: AGRICULTURE
LOAN NO: 2000130012932
PROJECT ID: P-ZM- AAO-021

This Request for Expression of Interest follows the General Procurement Notice (GPN) for this Project that appeared in UN Development Business (UNDB online) 20th October 2015 and on the African Development Bank’s Group Internet Website (www.afdb.org).

The Government of the Republic of Zambia has received a loan from the African Development Bank (AfDB) and a grant from the Global Environmental Facility (GEF) to finance the Lake Tanganyika Development Project in Northern Province. The Project is being implemented by the Ministry of Water Development, Sanitation and Environmental Protection (MWDSEP) from 2015 – 2020 in Mpolungu and Nsama Districts.

The objective of the Project is to support the protection and the ecological integrity of Lake Tanganyika and to improve the socio-economic well-being of the population in the lake basin. The Project has the following components: 1. Integrated Natural Resource Management; 2. Alternative livelihood and socio-economic infrastructure; and 3: Project coordination and management.

The MWDSEP intends to apply part of the funds towards acquisition of consultancy services to conduct feasibility studies, detailed design and production of bidding documents for Public Infrastructure in Mpolungu and Nsama Districts to assist the Project and its implementing partners to subsequently execute several civil works as listed below:

i. Two landing site complexes in Mpolungu and Nsama (Nsumbu) districts, each consisting of a jetty, market hall, storeroom, ice machine (production capacity of 2x5t/24h), cold room (80 m3), office space, shops, water scheme, gender disaggregated bath/toilets and low cost fish drying slab and equipment;

ii. The construction of two surveillance stations in Mpolungu and in Nsumbu equipped with the necessary communication/radio equipment; and

iii. The construction/rehabilitation of two weather stations in Mpolungu and in Nsumbu to improve the security of fishing operations on the lake by providing the necessary weather forecasts.

The assignment is expected to start in July 2017 and has a duration of 24 weeks (6 months).

The Northern Province Procurement Committee on behalf of the Lake Tanganyika Development Project now invites eligible Consultancy Firms to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (company profiles, brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.
Interested consultants may obtain further information at the address below during office hours between 08:00 hours to 13:00 hours and 14:00 hours to 17:00 hours local time from Monday to Friday.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the use of Consultants” (May, 2008 edition and Revised in July 2012.), which is available on the Bank’s website at http://www.afdb.org.

Expression of Interest clearly marked” Consulting services to conduct feasibility studies, detailed design and production of bidding documents for Public Infrastructure in Mbulungu and Nsama Districts – Northern Province. NPPC/S/01/2017” shall be delivered and deposited in the tender box located at the Provincial Administration along Zambezi Road, Kasama or emailed to the address below on or before Monday, 8th May, 2017.
