The Government of the Republic of Zambia, Ministry of Agriculture and Livestock has applied for financing from the African Development Bank, the African Water Facility and intends to apply part of the proceeds of this grant to eligible payments under the contract for Feasibility Studies and Detailed Design.

The services include:

- Pre-feasibility studies for all the 25 smallholder irrigation schemes covering a total of 9,500-hectares approximately
- Full Feasibility Studies for selected 12-15 smallholder irrigation schemes
- Detailed Design and Tender Documents for selected 10-12 smallholder irrigation schemes

The Ministry of Agriculture now invites consulting firms to indicate their interest in providing the services. Interested firms must provide a statement of capability and experience indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Interested consultants may obtain further information at the address below during office hours from 08.00 – 16.00 HRS.

Award of contract is subject to the final formal approval of the Grant by the funding institution - African Development Bank.

Expressions of interest must be hand delivered in 3 copies (1 original and 2 copies), must be delivered in one sealed envelope to the address below by 14:30 on 20th May 2016.
