REQUEST FOR EXPRESSIONS OF INTEREST  
(INDIVIDUAL CONSULTANT)  

GOVERNMENT OF THE REPUBLIC OF ZAMBIA  

MINISTRY OF WATER DEVELOPMENT, SANITATION AND ENVIRONMENTAL PROTECTION (MWDSEP)  

LAKE TANGANYIKA DEVELOPMENT PROJECT  

TO ASSESS AND RECOMMEND PROCUREMENT AND INSTALLATION OF SUITABLE DESIGNS OF SMALL SIZED FLOATING CAGES FOR TILAPIA FARMING ON THE ZAMBIAN PART OF LAKE TANGANYIKA  

SECTOR: ENVIRONMENT AND NATURAL RESOURCES  
LOAN NO: 2000130012932  
PROJECT ID: P-ZM-AA0-021  

1. This Request for Expression of Interest follows the General Procurement Notice for this Project that appeared in UN Development Business (UNDB online) on 20th October 2015 and on the African Development Bank’s Internet Website (www.afdb.org).  

2. The Government of the Republic of Zambia has received financing from the African Development Bank towards the implementation of Lake Tanganyika Development Project.  

3. The Lake Tanganyika Development Project intends to apply part of the funds to hire an individual consultant to assess and recommend procurement or suitable designs of small sized floating cages for tilapia farming on the Zambian part of Lake Tanganyika of Mpulungu and Nsama districts. The scope of the assignment as follows:  
   i. The LTDP intends to commission this consultancy in order to prepare for the procurement, installation and demonstration of the use of small sized floating cages for tilapia farming on Lake Tanganyika on the Zambian side. The consultant will prepare or identify suitable designs, bill of quantities for materials or import, possible suppliers for the various models/designs agreed by stakeholders as the most suitable for Lake Tanganyika. The consultant will provide specifications and lead the procurement of materials/cages of the selected models, lead the fabrication or installation and the training of local people in the selected demonstration areas.  
   ii. The consultant will also identify and recommend the procurement of accessory tools (e.g. nets, safety jackets, etc), equipment (e.g. boats) and inputs (e.g. fingerlings and feed) for the full operationalization of the cage enterprise. In this endeavor, the consultant will work with staff from Fisheries Department and PCU, local youth groups and potential fish farmers in fabrication and/or installation of 10 demonstration cages at selected environmentally suitable sites along the lake shore in Mpulungu and Nsama district.  
   iii. The consultant will consider the findings of the Environmental and Impact Assessment study in the designs, selection of demonstration sites and operations of the fish cage enterprise.  

4. The Lake Tanganyika Development Project now invites eligible individual consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (CVs, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.).  

6. Interested consultants may obtain further information at the address below during office hours (08:00 to 13:00 and 14:00 to 17:00 hours). dkamweneshe@gmail.com, mpkangwa@gmail.com and joshuabanda02@yahoo.com.
