EAST AFRICA’S CENTRES OF EXCELLENCE FOR SKILLS AND TERTIARY EDUCATION IN
BIOMEDICAL SCIENCES PHASE 1
THE EAST AFRICAN KIDNEY INSTITUTE PROJECT (EAKIP)

Sector: Higher Education, Science and Technology
Financing Agreement reference: 2100150031997
Project ID No: P –Z1-IBO-23

The GOVERNMENT OF KENYA has received financing from the African Development toward the cost of the
East African Kidney Institute Project, and intends to apply part of the agreed amount for this loan to payments
under the contract for construction works consultancy services.

The services included under this project are the design phase and supervision consultancy services for the
construction of a research and teaching complex for the East African Kidney Institute to be located at the
Kenyatta National Hospital grounds. The services cover the following areas:

1. Architectural
2. Quantity Surveying
3. Mechanical Engineering
4. Electrical Engineering
5. Civil/ Structural Engineering
6. Environmental Assessment and Audit
7. Topographic and Cadastral Survey

The East African Kidney Institute Project (EAKIP) in the Ministry of Health now invites eligible consultants, in
the form of a consortium covering all the above areas, to indicate their interest in providing these
services. Interested consultants must provide information indicating that they are qualified to perform the
services (brochures, description of similar assignments, experience in similar conditions, availability of
appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of
qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the
Revised July 2012, which is available on the Bank’s website at http://www.afdb.org.

Interested consultants may obtain further information at the address below during office hours: 0800 to 1700
hours.

Expressions of interest must be delivered to the address below by Friday 24th April, 2015 at 1000 Hours
and mention “consultancy services for design, documentation and supervision for the development of the
EAKI”.
