KAGITUMBA-KAYONZA-RUSUMO ROADS PROJECT**

The Government of Uganda has received financing from the African Development Fund (ADF) towards the cost of construction of **Busega-Mpigi Expressway (23.7km)**. It is intended that part of the agreed loan proceeds shall be used for payments under the contract for Consultancy Services to Undertake Technical Audit of **Busega-Mpigi Expressway Project (23.7km)**.

The services included under this project is for the Consultant to:

- (i) Assess whether the procurement of the Civil Works Contract and Supervision Consultancy Contract were executed in accordance with the ADB guidelines;
- (ii) Evaluate the existence and effectiveness of internal controls, which are needed for the application of sound engineering and financial principles and practices;
- (iii) Obtain reasonable assurance that the Planning, Design, Construction and operation and maintenance plans are in accordance with sound engineering principles, practice, technical management policies and specifications;
- (iv) Assess and advise on aspects of value for money i.e. economy, efficiency and effectiveness;
- (v) Assess compliance with the Contractual provisions including adequacy and compliance to Environmental and Social Safeguards.

The **Uganda National Roads Authority** now invites Consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank's **Procurement Policy for Bank Group Funded Operations October 2015**, as amended from time to time, which is available on the Bank's website at <http://www.afdb.org>.
