Mbabane - Manzini Corridor Dam Feasibility Study

Water and Sanitation Sector
Project ID No.: P-SZ-EAZ-001 / P-SZ-EA0-002

The Government of the Kingdom of Swaziland has applied for financing from the African Development Bank, the African Water Facility and the Middle Income Country Technical Assistance Fund towards the cost of the feasibility study for the Mbabane - Manzini Corridor Dam project, and intends to apply the agreed grant funds to payments under the contract.

The services included under this project are (i) an assessment of the water resources availability and existing demands with special emphasis to potable water supply and the optimisation of an appropriate dam infrastructure to harness the available water resources to meet the prevailing water demands at feasibility level, (ii) the preparation of the detailed design of the infrastructure. The project will be managed by the Department of Water Affairs within the Ministry of Natural Resources and Energy and will be implemented over a period of 24 months after contract signature.

The Department now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the use of Consultants”, May 2008 Edition, Revised July 2012, which is available on the Bank’s website at http://www.afdb.org. Interested consultants may obtain further information at the address below during office hours from 08.00 – 16.45 HRS.

Expressions of interest must be hand delivered in 3 copies (1 original and 2 copies), must be delivered in one sealed envelope to the address below or sent by e-mail by 29/01/2016 at 4.00 pm local time and clearly marked “The Mbabane - Manzini Corridor Dam Feasibility Study Project”.
