REQUEST FOR EXPRESSIONS OF INTEREST

Under Tender No. PA/001/2016-17/HQ/C/20

for

Provision of Consultancy Services for Feasibility Study and Outline Design for the Kikonge Multipurpose Dam, Hydropower and Irrigation

This request for expressions of interest follows the General Procurement Notice for this project that appeared in UN Development Business dated 23rd September, 2016 and the Bank’s website.

The Government of The United Republic of Tanzania has received a grant from the Africa Water Facility/African Development Fund towards the cost of Feasibility Study and Outline Design for Kikonge Multipurpose Dam, Hydropower and Irrigation project and intends to apply part of the agreed amount of this grant to eligible payments under the contract for Feasibility Studies and Outline Design.

The services include:

- Phase 1: Data and information collection
- Phase 2: Site reconnaissance and investigations
- Phase 3: Techno-economic studies
- Phase 4: Drafting of Feasibility Studies Terms of Reference
- Phase 5: Promotion of the project and mobilisation of funds for the Full Feasibility Study

The study will be implemented over a 15 month period.

The Executing Agency, Tanzania Electric Supply Company Ltd (TANESCO) now invites eligible consulting firms to indicate their interest in providing the services. Interested firms must provide a statement of capability and experience indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). This advertisement is open to consultants from eligible source countries. Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the use of Consultants”, May 2008 Edition revised July 2012 which is available on the Bank’s website at [http://www.afdb.org](http://www.afdb.org) and the AWF’s Operational Procedures, December 2007.

Expressions of interest must be delivered to the address below on Thursday, 8th December, 2016 at 10:30am and mention “Pre-feasibility Studies and Outline Design”.
