THE KINGDOM OF SWAZILAND

ECONOMIC DIVERSIFICATION STUDY

GENERAL PROCUREMENT NOTICE

The Government of the Kingdom of Swaziland has received a grant from the African Development Bank Middle income Countries Trust Fund to finance an Economic Diversification Study.

The principal objective of this project is to identify the potential and constraints to, the broadening of the Swaziland economic base and increasing competitiveness in traditional and emerging exports to both traditional and new markets. The method of procurement used will be Short Listing of consulting firms.

The project includes the following components:

A. It will involve the recruitment of a consultancy that will assist the Government to undertake an economic diversification study, which will comprehensively address interrelated issues of economic diversification, trade policy and investment.

B. The task of the consultancy will also entail among other, holding consultations on economic diversification and competitiveness, identify Swaziland’s comparative advantages, existing constraints as well as proposing remedial measures to allow the country harness the available opportunities.

Acquisition of the services of Consultants will follow the Bank's Rules and Procedures for the Use of Consultants. Bidding documents are expected to be available in October, 2010.
