ZANZIBAR

GENERAL PROCUREMENT NOTICE

Alternative Learning and Skills Development Project-PHASE II

Project ID No. : P-TZ-IAE-005
Loan No. : 2100150024593

1. The Government of United Republic of Tanzania has received a loan to the amount of UA 15.0 Million from the African Development Fund towards the cost of Alternative Learning and Skills Development Project – Phase II and intends to apply part of the proceeds to payment of goods, works, related services and consulting services to be procured under this project.

2. The main objectives of the ALSD II are to (a) improve youth access to non-formal education and strengthen links with the labour market in Zanzibar (b) assist out of school youth including girls to acquire basic and secular education; and (c) enhance self-employment opportunities for youth (both men and women).

3. The project includes the following components:

i. **Alternative Learning and Skills Development Centres**: that includes construction of three alternative learning centres and two skills development centres. Also, it will construct and equip training facilities for Zanzibar Institute of Tourism Development and Karume Institute for Science and Technology. The project will also cover technical assistance for curriculum development and development of public-private partnerships for skills development as well as community sensitisation drives on skills development, alternative learning and social issues (reproductive health issues, HIV/AIDS, drug abuse and the environment).

ii. **Capacity Building and Institutional Development Services**: that covers the provision of staff training and institutional support to the MoEVT, VTA, ZIToD, KIST and Zanzibar Commission for Labour
and the training of civil society organisations involved with youth skills training and youth employment issues.

iii. Project Management: that will include overall project coordination including staff costs and equipment of the PCU, the procurement of vehicles, the carrying out of technical and financial audits and project monitoring and evaluation.

4. Procurement of goods and /or works will be in accordance with the Bank’s Rules of Procedures for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank’s Rules of Procedures for the Use of Consultants. Bidding documents are expected to be available from March 2012.

5. Interested eligible bidders and interested consultants may obtain further information, and should confirm their interests by contacting:
