GENERAL PROCUREMENT NOTICE

REPUBLIC OF ANGOLA

INSTITUTIONAL AND SUSTAINABILITY SUPPORT TO URBAN WATER SUPPLY AND SANITATION SERVICE DELIVERY

1. The Government of Angola has received a loan of US$ 123.77 million from the African Development Bank to finance part of the Institutional and Sustainability Support to Urban Water Supply and Sanitation Service Delivery Project.

2. The specific project development objective is to improve sector governance, strengthen institutional capacity and efficiency in the water and sanitation sector institutions at central and provincial level and improve access and service delivery. The project’s beneficiary provinces include Cabinda, Lunda Norte, Lunda Sul, Cuanza Sul, Bengo, Namibe and Cunene provinces with an overall population size of 4.1 million.

3. The project’s main components are:
   - Development of Provincial Water Supply and Sanitation Utilities
   - Sanitation and Water Systems
   - Capacity Development and Change Management
   - Project management

5. Procurement of civil works for the water supply and sanitation infrastructure, comprising Sumbe sewerage reticulation and treatment works and Sumbe additional water distribution works, estimated at UA 28.571 million in aggregate and valued at more than UA 3 million per contract will be carried out under International Competitive Bidding (ICB) procedures, using the Bank’s Standard Bidding Documents (SBDs). Bidding documents are expected to be available in June 2015. Specific Procurement Notices will be published for each procurement method under each component.

6. Procurement of goods and/or works will be in accordance with the Bank's Rules and Procedure for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank's Rules and Procedure for the Use of Consultants.

7. Interested bidders may obtain further information, and should confirm their interest, by contacting the executing agency:
