

GENERAL PROCUREMENT NOTICE

Arab Republic of Egypt

Sustainable Development of Abu-Rawash Wastewater Treatment Plant Project

GENERAL PROCUREMENT NOTICE

1. The Arab Republic of Egypt has received 2 loans from the African Development Bank AFDB and the Africa Growing Together Fund AGTF to co-finance the Sustainable Development of Abu-Rawash Wastewater Treatment Plant Project.
2. The objective of the Project is to upgrade the treatment process of Abu Rawash Wastewater treatment plant from primary treatment to secondary treatment and to increase its capacity from 1.2 Million M³/day to 1.6 M³/day in order to : (1) improve the quality of wastewater discharged into the drainage system in Cairo-west (Giza); (2) Contributing to increased coverage of improved sanitation and clean environment for the nearly 8 Million population living in this area; and (3) The project is also include Environment, climate change and institutional support.
3. The Project consists of three (3) components as follows:
 - Component 1:** Wastewater Treatment Plant Upgrading and Expansion.
 - Component 2:** Environment, Climate Change and Institutional support.
 - Component3:** Project Management and Engineering services
4. Acquisition of the services of Consultants and Procurement of goods will be in accordance the procurement policy for African Development Bank Group Funded Operation dated October 2015. Specifically, Bank's Procurement Methods and Procedures (Banks PMPs).
