

# GENERAL PROCUREMENT NOTICE

**THE REPUBLIC OF THE SUDAN AND THE FEDERAL REPUBLIC OF SOMALIA**

**MULTINATIONAL - RURAL LIVELIHOODS' ADAPTATION TO CLIMATE  
CHANGE IN THE HORN OF AFRICA II**

1. The Federal Republic of Somalia and The Republic of the Sudan have received a Grant from the African Development Bank – Global Environmental Facility (GEF)/ to finance the Rural Livelihoods' Adaptation to Climate Change in the Horn of Africa II.
2. The principal objective of this project is to increase targeted communities' adaptive capacity and the resilience of their livelihoods to climate change through capacity building and the introduction of adaptation technologies, improved access to natural resources (especially water), and diversification of livelihoods. The modes of procurement will include Open Competitive bidding, Shopping, Least Cost Selection and Individual Consultant's Selection
3. The project includes the following components :
  - a) Improving pastoral and agro-pastoral communities' adaptive capacity and the resilience of their livelihoods to climate change in target areas
  - b) Improving the sustainability of pastoral and agro-pastoral livelihoods
  - c) Project management, plus knowledge and monitoring and evaluation activities
4. Procurement of goods and/or works will be in accordance with the Bank's Procurement Policy, October 2015, as amended from time to time. Bidding documents are expected to be available in February, 2019.
5. Interested bidders may obtain further information, and should confirm their interest, by contacting :
