Republic of Sudan

Ministry of Water Resources, Irrigation & Electricity

Drinking Water & Sanitation Unit (DWSU)

Water Sector Reforms & Institutional Capacity Development Program

GENERAL PROCUREMENT NOTICE (GPN)

Date: November, 2015

1. The Government of Republic of the Sudan has received a grant from the African Development Fund to finance the Water Sector Reforms and Institutional Capacity Development Program.

2. The principal objectives of this project are to:
   i. Build a resilient and sustainable water and sanitation sector that meets the needs of all users or beneficiaries in the country in the medium to long term;
   ii. Provide water supply and sanitation infrastructures in targeted areas with a view to reducing conflict;
   iii. Improving livelihoods and building resilience against climate variability and change.

   For procurement contracts of Goods and Works, different procurement methods such as International Competitive Bidding, National Competitive Bidding, Shopping and others will be used depending on the size and complexity of the contract. For the consultancy service assignments, various selection methods such as Quality and Cost Based Selections, Least Cost selections, Individual Consultants, etc. will be used depending on the nature of the assignment.

3. The project includes the following components:
   a) Water Sector Institutional Reform;
   b) Capacity Development;
   c) Water & Sanitation Infrastructures.

4. Procurement of Goods and/or Works will be in accordance with the Bank’s Rules and Procedures for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank’s Rules and Procedure for the Use of Consultants. Bidding and Request for Proposal documents are expected to be available in January 2016.

5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
