

GENERAL PROCUREMENT NOTICE

Republic of CABO VERDE

Strategic tools to support mitigation activities in key sectors in Cabo Verde

The CABO VERDE has received from the African Development Bank (BAD) for a grant from the African Climate Change Fund (ACCF) to finance **Strategic tools to support mitigation activities in key sectors in Cabo Verde**.

The project aims to enhance Cabo Verde's capacity to access climate finance in support of its proposed targets for low-carbon development through the elaboration of climate change mitigation projects for strategic sectors (energy and waste) and by mobilizing climate finance from the Green Climate Fund (GCF) to Cabo Verde.

The project includes two (2) components:

- (1) Development of mitigation instruments for strategic sectors (energy and waste); and
- (2) Mobilize climate finance inflows to Cabo Verde mitigation activities.

The mode of procurement are:

Procurement of consulting services financed from ACCF resources will be carried out in accordance with the *AfDB's rules and procedures for the Use of Consultants, dated May 2008 and revised July 2012*, using the relevant standard bidding documents (SBDs) revised November 2013 for the request for Proposals (RFPs) for Consulting firms. The tender documents should be available from June 2017.

Interested bidders may obtain further information and must confirm their intention, at the following address:
