# General Procurement Notice

1. The Government of Mozambique has applied for a loan from African Development Bank to finance the upgrading of a portion of road that connects Mueda to Negomano at the Border with Tanzania Republic, connecting this country through Unity Bridge. This portion of road is part of Mtwara Development Corridor, a Regional predefined corridor. The proceeds of the Loan are intended to be used for procurement of civil works and consulting services for the project. The project will be jointly financed by African Development Bank and the Government of Mozambique.

2. The overall objective of the project is to upgrade the road from Mueda to Negomano (169 Km).

3. The project includes the following components:

   (i) Road Construction: upgrading of a portion of road linking Mueda to Negomano, Phase 1 between Roma and Negomano (70 km). This component also includes installation of weighbridges; and

   (ii) Consulting services, including supervision of Civil Works.

5. Interested bidders may obtain further information and should confirm their interest, by contacting:
