

GENERAL PROCUREMENT NOTICE

Southern African Power Pool (SAPP)

Kolwezi -Solwezi Power Interconnector Project

GENERAL PROCUREMENT NOTICE

1. The Southern African Power Pool (SAPP) has received a grant from the African Development Bank to finance the Kolwezi -Solwezi Power Interconnector Project.
2. The principal objectives of this project are to improve the security and reliability of power supply and also foster economic development and regional integration through enhanced cross-border electricity trade. Consultants will be procured to carry out detailed techno-economic feasibility study.
3. The Project includes one component consisting of the following sub components:
 - Feasibility Study, Detailed Design, Tender Documents and Terms of References for supervision consultant;
 - Environmental and Social Impact Assessment (ESIA); and
 - Resettlement Action Plan (RAP)
4. The acquisition of consulting services required under the Project will follow the Procurement Policy for Bank Group Funded Operations, dated October 2015. Bidding documents are expected to be available in May 2017.
5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
