THE REPUBLIC OF SUDAN

GENERAL PROCUREMENT NOTICE

RED SEA STATE WATER CORPORATION

INSTITUTIONAL CAPACITY BUILDING FOR IMPROVED ACCESS TO WATER AND SANITATION IN PORT SUDAN

The Republic of Sudan has received a grant from the African Development Bank, to finance the Institutional Capacity Building for Improved Access to Water and Sanitation in Port Sudan and intends to apply the proceeds of this grant to payments for goods, works and consulting services to be procured under the project.

The overall objective of the project is to improve the availability, reliability, and quality of water supply, as well as ensuring sustainability and equity throughout the city of Port Sudan, and to improve sanitation and hygiene practices to ensure improved health of all residents. The project has the following components:-

Component I: Emergency Water Supply Rehabilitation Works
Component II: Sanitation Service Expansion
Component III: Institutional Capacity Development
Component IV: Project Management

The procurement of goods, works and acquisition of the services of consultants required for implementation of the Project will follow the Procurement Policy for Bank Group Funded Operations, dated October 2015. Bidding documents will be available starting May 2018.

Interested bidders may obtain further information and confirm their interest by contacting:
