GENERAL PROCUREMENT NOTICE

LIBYA

Pilot Project for Developing Leadership Capacity to Support Libya’s Transition

1. The State of Libya has received a grant from the MENA Transition Fund to finance the Pilot Project for Developing Leadership Capacity to Support Libya’s Transition, with the African Development Bank as the implementing agency.

2. The principal objective of the project is to strengthen the efficiency and effectiveness of Libyan institutions to deliver democratic governance and sustainable economic and social progress. Co-funded by the MENA Transition Fund and the Libyan government, the project aims to strengthen leadership capacity at the decision-making levels of government and society in order to lead the way to long-term institutional effectiveness, efficiency and success. The specific project objectives are to: a) support and facilitate the transition from a transitional to a permanent Libyan government; b) consolidate a technical consortium to deliver executive leadership training to around 200 top public, private sector and civil society leaders; and, c) develop a strategic campaign plan for leadership capacity building in support of the Libya 2030 Vision.

3. The project includes the following components:

   1. Consolidation of the project Delivery Unit within the Government as well as the international consortium
   2. Requirement analysis, programs architecture and content development
   3. Coaching, mentoring and supporting program for top government officials
   4. Pilot executive training and mentoring program for senior executive staff
   5. Development of a strategic leadership capacity development plan in support of Libya 2030 Vision
   6. Independent evaluation of the program

4. Procurement of goods and/or works will be in accordance with the Bank's Rules of Procedure for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank's Rules of Procedure for the Use of Consultants edition May 2008 and revised July 2012. Bidding documents are expected to be available in July 2014.
