GENERAL PROCUREMENT NOTICE

THE REPUBLIC OF NAMIBIA

The New Port of Walvis Bay Container Terminal Project

1. The Republic of Namibia has received a Technical Assistance Fund for Middle Income Countries in the form of a Grant to finance Logistics and Capacity Building activities complementing the Port Project. Walvis Bay Corridor Group will be the Executing Agency.

2. The principal objectives of this project is to support the logistics and capacity building efforts which complement the expansion of the Walvis Bay Container Terminal and the plans to develop the country into a regional logistics hub.

3. The project includes the following components:
   - National Logistics Master Plan
   - Road Safety Program
   - Capacity and Institutional Building for the Walvis Bay-Ndola-Lubumbashi Development Corridor Management Committee (WBNLDC MC)
   - Capacity and Institutional Building for WBCG Projects Development and Funding Department
   - FIATA Training Program for Freight Forwarders

4. Procurement of goods and/or works will be in accordance with the Bank's Rules of Procedure for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank's Rules of Procedure for the Use of Consultants. Bidding documents are expected to be available from January 2014 onwards.

5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
