INSTITUTIONAL CAPACITY BUILDING PROJECT

Financing Agreement reference: FAPA GRANT No. 570015500145
Project ID No.: Project ID: P-RW-HAA-006

The Development Bank of Rwanda (“BRD”) received financing from the African Development Bank (“the Bank”) through a Fund for African Private Sector Assistance (“FAPA”) Grant for BRD’s institutional capacity building, and intends to apply part of FAPA Grant towards payments under the contract for enhancement of BRD’s operations (“the project”).

The services included under the project are developing a risk procedure manual whose outputs broadly comprise the identification of all potential risk areas that need monitoring, the implementation of an internal risk control and reporting system incorporating a requirement for the submission of monthly risk reports from all departments and the receipt of monthly comments/responses on risk areas targeting to clear departmental risk exposures within 30 days from identification.

BRD now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the use of Consultants” edition May 2008, revised in July 2012 which is available on the Bank’s website at http://www.afdb.org. Borrowers are under no obligation to shortlist any consultant who expresses interest.

Interested consultants may obtain further information at the address below during office hours 08:00AM to 18:00 PM.

Expression of interest must be delivered to the address below by June, 15th 2013 at 02: 30 PM and should mention “Enhancing Operations Consultancy Services”.
