

MAHE SUSTAINABLE WATER AUGMENTATION PROJECT SPECIFIC PROCUREMENT NOTICE (SPN):

Invitation for Prequalification for the construction and operation of a 4,400m³/day water treatment plant at La Gogue Dam

Date: 13th September 2017

Loan No: 2000130013431

IFP No: MSWAP-003

1. This Invitation for prequalification follows the General Procurement Notice (GPN) for this project which appeared in UNDB online AfDB375-05/15 of 29 May 2015 and on the African Development Bank Group's Internet Website.
2. The Government of Seychelles has received Financing from the African Development Bank in various currencies towards the cost of MAHE SUSTAINABLE WATER AUGMENTATION PROJECT. It is intended that part of the proceeds of this loan will be applied to eligible payments under the contract for the Construction of the La Gogue Water Treatment Plant.
3. The Public Utilities Corporation now invites sealed bids from eligible bidders for the execution of the works:
 - The construction of a new water treatment plant, capacity 4,400m³/day including inlet works, flocculation and sedimentation, sand filtration, ozone dosing for colour and odour removal, and chlorination processes and discharge of waste water to existing stream
 - All civil works (such as: roads, buildings, rain water drainage, defence enclosure, guardian house, etc.) associated with the plant;
 - Construction of a new reservoir, capacity 2,000m³
 - Construction of a new pump station;
 - Demolition of existing structures on site.
 - Testing and Commissioning
 - Operation and maintenance of the treatment plant for 1 year

It is expected that Invitations for Bid (IFB) will be made in **January 2018**.

4. Interested eligible bidders may obtain further information at the address below during office hours 08:00-16:00hrs (Seychelles local time).
