SPECIFIC PROCUREMENT NOTICE (SPN):
Invitation for Prequalification

Date: 02 December 2013
Loan No: 2000130007431/5560130000001

1. This Invitation for Bids follows the General Procurement Notice (GPN) for this project that appeared in UNDB online of 08 July 2010.

2. Eskom Holdings SOC Limited (Eskom) has received Financing from the African Development Bank towards the cost of Eskom Renewable Energy Project. It is intended that part of the proceeds of this loan will be applied to eligible payments under the contract for a 100 MWe Concentrating Solar Power Plant.

3. Eskom intends to prequalify contractors and/or firms for the Design, Supply, Installation, Operation and Maintenance of a minimum 100 MWe Central Receiver Concentrating Solar Power Plant, in Upington, Northern Cape, South Africa. It is expected that invitations for bid will be issued in April 2014.

4. Interested eligible applicants may obtain further information from and inspect the prequalification document at Eskom Megawatt Park Building, 1 Maxwell Drive, Sunninghill, Johannesburg, 2000, South Africa during office hours (09h00 am to 16h00 pm) from 02 December 2013. A complete set of the prequalification document in English may be obtained by interested applicants on the submission of a written application to the address below.

5. Applicants who want the pre-qualification documents to be sent by a courier or mail will make the necessary arrangements at their own cost with any courier or mail company of their choice to collect the documents from the address below.

6. Prequalification will be conducted through the procedures as specified in the World Bank’s Guidelines: Procurement under IBRD Loans and IDA Credits, May 2004 (revised in October 2006 and May 2010), and is open to all eligible bidders as defined in the guidelines.

7. Applications for prequalification should be submitted in sealed envelope, delivered to the address below by 10H00am (South African Central Time) on 12 February 2014 and be clearly marked “Prequalification for the Design, Supply, Installation, Operation and Maintenance of a minimum 100 MWe Central Receiver Concentrating Solar Power Plant, CED (S) 2011/CN/02”.
