GENERAL PROCUREMENT NOTICE

SOUTH SUDAN
JUBA POWER DISTRIBUTION SYSTEM REHABILITATION AND EXPANSION PROJECT

1. The Government of Republic of South Sudan has received a grant from the African Development Fund to finance the Juba Power Distributions Systems Rehabilitation and Expansion Project.

2. The principal objectives of this project are to
   i. Strengthening the distribution networks in Juba in order to provide reliable electricity and increase access in the city.
   ii. To absorb power from the 40MW Fula Hydropower project.

3. The project includes the following components:
   Component A: Construction of the medium and low voltage network
   Component B: Consultancy services for project management and supervision including Capacity Building Program
   Component C: Project Audit and
   Component D: South Sudan Power Systems Master Plan Study

4. Procurement of goods and/or works will be in accordance with the Bank's Rules and Procedures for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank's Rules and Procedures for the Use of Consultants. Bidding documents for the construction of distribution systems are expected to be available in June 2014.

5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
