GENERAL PROCUREMENT NOTICE
The Republic of Sudan
Public Financial and Macroeconomic Management Capacity Building Project (PFMMCBP)

1. The Republic of Sudan has received a grant from the African Development Fund to finance the Public Finance Management and Macroeconomic Management Capacity Building Project (PFMMCBP).

2. The principal objectives of this project are to build and enhance transparency, accountability, and efficiency in the use of public resources, macroeconomic policy and debt management through institutional strengthening and capacity building. The project aims specifically at:
   (i) Strengthening the governance and institutional capacity of the State Institutions
   (ii) Enhancing capacity for debt management at both the Ministry of Finance and National Economy (MoFNE) and Central Bank of Sudan (CBoS)
   (iii) Enhancing the capacity for monetary policy at the CBoS
   (iv) Developing a robust system for tracking and reporting on public revenue flows and related expenditures, thus enhancing transparency, financial governance and accountability in the public budgeting process for the use of both public resources and donor funds; and
   (v) Developing sound national and integrated payment and settlement systems that will facilitate the conduct of monetary policy and strengthen the efficiency of the financial sector.

The procurement methods in the project include:

**Goods:** International Competitive Bidding (ICB) for the supply of IT related equipment, Integrated Financial Management Information System (IFMIS), Servers and related hardwares, softwares, recovery platform, etc.; National Competitive Bidding (NCB) and Shopping for application softwares, office equipment, supplies and sundries;

**Services:** Quality and Cost Based Selection (QCBS) for capacity building trainings in the area of Financial Controls, Debt Management, Procurement, Monitoring and Evaluation, Cash and Treasury Management, Accounting, etc.; Least Cost Selection (LCS) for Audit service, Local Service providers, etc.; Individual consultant for the Technical Assistance;

3. The project includes the following components:
   i) Strengthening Capacity for Public Financial Management
   ii) Strengthening Capacity for Macroeconomic Management and
   iii) Enhancing Capacity for Debt Management. Capacity building will include training, skills transfer, provision of basic office equipment, including IT equipment and computer software.

4. Procurement of Goods will be in accordance with the Bank's Rules and Procedures for the Procurement of Goods. Acquisition of the services of Consultants will follow the Bank's Rules and Procedures for the Use of Consultants. Bidding documents are expected to be available in April, 2014
5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
