THE REPUBLIC OF UGANDA

MINISTRY OF WATER AND ENVIRONMENT

REQUEST FOR EXPRESSIONS OF INTEREST
FOR CONSULTANCY ASSIGNMENTS FOR FEASIBILITY DESIGN, DETAILED DESIGN AND CONSTRUCTION SUPERVISION FOR SEWERAGE AND REGIONAL FAECAL SLUDGE MANAGEMENT FACILITIES
MWE/WSDF-C/SRVCS/13-14/00005

WATER SUPPLY AND SANITATION PROGRAMME

Loan Number: 2100150025394

Project ID No.: P-UG-E00-011

The Government of Uganda has received financing from the African Development Fund (ADF) and Rural Water Supply and Sanitation Initiative Trust Fund towards the cost of the Water Supply and Sanitation Programme, and intends to apply part of the agreed amounts for these funds to payments under the contracts for consultancy assignments for feasibility design, detailed design and construction supervision for sewerage and regional faecal sludge management facilities.

The Services included under this project shall include;

- Development of a Sanitation Investment Planning Tool.
- Design of Standard typical On-site Sanitation Infrastructure for any other appropriate infrastructure that may find application in Ugandan small towns. Designs will include feasibility, detailed designs, including all technical drawings and bills of quantities.
- Feasibility Study and Detailed Design of Off-site Sanitation Infrastructure. Identify all the towns that merit off-site sewerage disposal systems; assess the existing sanitation and hygiene situation in the selected town and propose a strategy and basic investment schedules; conduct detailed engineering surveys and designs for the preferred and agreed upon sanitation infrastructure option; assess suitability and define suitable land for prior demarcation and securing for the proposed public sanitation facilities; prepare detailed hydraulic narrative engineering designs, technical specifications, bills of quantities, drawings and engineering cost estimates including tender documentation and assess potential environmental impacts for all the sanitation infrastructure options and propose mitigation measures. The EIA is to be conducted as per NEMA guidelines.
- Construction Supervision for Construction of Off-site Sanitation infrastructure
- Development of a strategy for operation and maintenance of public sanitation infrastructure in the WSDF-Central region.

Duration of the Assignment is 30 months
The Ministry of Water and Environment, through the Water and Sanitation Development Facility – Central, now invites eligible consultants (firms) to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “Rules and Procedures for the Use of Consultants” May 2008 Edition, revised July 2012 which is available on the Bank’s website at http://www.afdb.org. Interested consultants may obtain further information at the address below during office hours (0900 to 1700 hours).

Expressions of interest must be delivered to the address below by 23th August, 2013 at 11:00 a.m. (local time) and mention the Procurement Reference Number and Subject of Procurement.
