1. The Government of the Republic of Zambia has received a loan from the African Development Fund to finance the Livestock Infrastructure Support Project (LISP).

2. The principal objective of this project is to improve the household income of the livestock farmer by supporting livestock infrastructure, institutional capacity building and improved disease diagnosis, treatment and control. The Project outcome is to decrease the prevalence of the main livestock diseases like the Contagious Bovine Pleura-Pneumonia (CBPP), Foot and Mouth Disease (FMD), African Swine Fever (ASF), New Castle Disease (ND) and other zoonotic diseases.

3. The Project includes the following components:

A. COMPONENT 1: LIVESTOCK INFRASTRUCTURE DEVELOPMENT

   Sub Component 1: Rural Community Infrastructure Support

   (i) Construction of 156 demand-driven Livestock Service Centres Tier 1
   (ii) Construction of 16 Livestock Service Centres Tier 1+
   (iii) Construction of 5 Livestock Service Centres Tier 2
   (iv) Construction of 3 Milk Collection Centres
   (v) Construction of 2 Livestock Market Centres
   (vi) Construction of 8 Livestock Slaughter Facilities

   Sub Component 2: Public Infrastructure Support

   (i) Rehabilitation of 80km (total length) of existing rural feeder roads
   (ii) Rehabilitation of 2 Regional Veterinary Laboratories
   (iii) Rehabilitation of 7 District Veterinary Laboratories
   (iv) Construction of 2 Livestock Service Centre Tier 3
   (v) Construction of 2 Veterinary Quarantine Stations
   (vi) Construction of 2 Fully Fledged Veterinary Check Points
   (vii) Construction of 3 Veterinary Check Points (with boom gate)
   (viii) Assorted Equipment for CVRI's Public Health Laboratories

B. COMPONENT 2: CAPACITY BUILDING

   (i) Procurement of Two (2) 4 x 4 Drive Motor Vehicles
   (ii) Procurement of Thirty Two (32) Off Road Motor Cycles.
   (iii) Procurement of Office Equipment and Furniture

C. COMPONENT 3: PROJECT MANAGEMENT

   (i) Procurement of Two (2) Off Road 4 x 4 Drive Vehicles
   (ii) Project Financial Audit consultancy

4. Procurement of Goods/or Works will be in accordance with the Bank’s Rules and Procedures for the Procurement of Goods and Works. Acquisition of Consultancy Services will follow the Bank’s Rules and Procedures for the Use of Consultants. Bidding Documents are expected to be available in June 2014.

5. Interested bidders may obtain further information, and should confirm their interest by contacting the undersigned:
