

## LIST OF TABLES

1.1	Intraregional imports and exports as a proportion of total trade, 2004–2006 .....	4
1.2	Main African exports and share of total exports, 2008 .....	10
1.3	Tariff Trade Restrictiveness Index (TTRI) and Overall Trade Restrictiveness Index (OTRI) by region, 2003–2004 .....	13
1.4	Market Access (MA) indices by income group, 2006 .....	14
2.1	Age distribution of African merchant fleet compared to those of other regions .....	39
2.2	Port capacity and value of trade in Africa .....	40
2.3	Selected leading ports in the world by volume of containerized cargo, 2007 .....	42
2.4	Container port traffic for selected developing and African countries, 2006–2007 .....	43
2.5	Deployment of ship-to-shore gantry cranes by region and outreach, 2008 .....	44
2.6	Efficiency indicators for selected leading ports by volume of containerized cargo, 2006 .....	45
2.7	Efficiency indicators for selected African ports, 2006 .....	47
2.8	UNCTAD Liner Shipping Connectivity Index (LSCI), 2007–2009 .....	49–50
2.9	Africa's top container ports, 2007 .....	56
2.10	North Africa — port infrastructure, capacity, and facilities .....	58–9
2.11	East Africa — port infrastructure, capacity, and facilities .....	61
2.12	Southern Africa — port infrastructure, capacity, and facilities .....	63–4
2.13	Central Africa — port infrastructure, capacity, and facilities .....	68
2.14	West Africa — port infrastructure, capacity, and facilities .....	70–1
3.1	Main types of organizational structures for Port Authorities (PAs) .....	81
3.2	Port management models and regulatory agencies in selected Africa countries .....	83
3.3	Age distribution of merchant fleets as at January 1, 2008 .....	93
3.4	Port cargo-handling times across regions .....	97
4.1	Logistics Performance Index (LPI) by region, 2010 .....	111
4.2	Current infrastructure spending in Sub-Saharan Africa .....	120
4.3	Corridors linking landlocked countries and ports .....	125
4.4	Checkpoints on selected road corridors in West Africa .....	126
4.5	Estimated interregional trade volume effect of road network upgrading (US\$ million) in Sub-Saharan Africa, 2006 .....	145
4.6	Rehabilitation and upgrading of the Northern Corridor's existing railroad network .....	146
4.7	Main characteristics of the African transport corridors .....	151–3
5.1	Strategic options for the promotion of maritime transport in Africa .....	157
