This serves to confirm that Single Entry Visas to Zambia have been approved in respect of all delegates that will be attending the African Development Annual Meeting to be hosted by Zambia in Lusaka from 17th to 29th May 2016.

We therefore ask for your kind cooperation in allowing all passengers travelling for the said meeting to board your flights even if they do not have the required visas already issued in their passports. Note that visa fees can be paid on arrival by all those delegates requiring visas to enter Zambia upon production of the invitation letters to an Immigration Officer at the port of entry.

Visa applications can alternatively be submitted online through the following website: https://evisa.zambiaimmigration.gov.zm or by email on: zambiasvisa@zambiaimmigration.gov.zm. The Department encourages applicants to apply using the online visa facility.

Further, for applicants in countries where Zambian Missions are available, they can opt to submit the visa applications at the Mission.
