CALL FOR PROPOSALS FOR THE AFRICAN CSOs AGAINST COVID-19 INITIATIVE

The African Development Bank Group has been on the frontline of the response to the COVID-19 Pandemic through the deployment financial mechanisms both for African countries and their private sector.

The Civil Society and Community Engagement Division has also made use of the Bank’s convening power to launch a webinar series, in partnership with the Economic, Social and Cultural Council of the African Union, to sensitize public opinion and its partners on the role of Civil Society Organizations (CSOs) in the response to COVID-19.

Considering the dynamic response to the webinar series and in consistency with its willingness to strengthen its engagement with civil society, the Civil Society and Community Engagement Division of the African Development Bank Group is pleased to launch a call for proposals for the “African CSOS Against COVID-19 Initiative”
