I trust this mail finds you well, is the site visit compulsory. If yes, where is the address for the site visit?

**Response:** The site visit was on 24th July 2018. Bidders who did not attend the site visit and pre-bid meeting will not be considered if they bid because the site visit was mandatory.

**Question/Concern** Kindly send us:

1. An equipment list for your elevators, which shows all the important elevator specifications, and equipment quantities.
2. CCTV equipment list, stating all the specifications, and equipment quantities.
3. Electrical equipment list, stating all the specifications, and equipment quantities.
4. Fire and smoke detection system asset register, with all relevant specifications.
5. HVAC, please provide an asset register.
6. A list of cafeteria equipment to be maintained, and their quantities.
7. Can a follow site visit be arranged with all the sub-contractors?

**Response:** Kindly use the information on the bid and the information provided during the pre-bid meeting.
