Financing Agreement reference: 5565155001951

Project ID No.: P-ZM-FZ0-003

The Republic of Zambia has received financing from the African Development Bank toward the cost of the Wind Power Promotion Project, and intends to apply part of the agreed amount for this grant to payments under the contract for Consultancy services for the Appointment of a Firm for the preparation of the 40 MW Wind Power Promotion Project in Zambia Under the Scaling-up Renewable Energy Program.

The services included under this project are: a) undertake technical assessments on three (3) potential sites from the eight sites assessed during the ESMAP resource assessment program, b) undertake full feasibility Studies on one viable site for the development of the 40 MW grid-connected wind power plant c) undertake due diligence on the development of the regulatory framework for wind, and d) develop a techno-economic report for the proposed wind project. The works are to be undertaken over a five months' period from contract award.

The Ministry of Energy now invites eligible consultants to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may constitute joint-ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the Procurement Policy and Methodology for Bank Group Funded Operations, dated October 2015, which is available on the Bank's website at <http://www.afdb.org>.

Interested consultants may obtain further information at the address below during office hours from 0900 to 1700 hours.

Expressions of Interest must be delivered to the address below by 22<sup>nd</sup> September, 2023 at 10:00 hours and mention "Expression of Interest for the Preparation of the Wind Power Promotion Project under the Scaling-up Renewable Energy Programme (SREP) in Zambia".
