EXECUTIVE SUMMARY

1. TITLE AND LOCATION OF THE PROJECT

The proposed project title is "Port of Banjul 4th Expansion Project". The Gambia Ports Authority (GPA) is the proponent and sole operator of the Port of Banjul. The project is being funded by the African Development Bank (AfDB), the European Investment Bank (EIB), and the Government of the Gambia (GoTG). The Port of Banjul is the gateway for the nation's economy, accounting for over 80 per cent of total international trade, and is the only maritime port managed by the GPA. The maritime subsector is quite dominant in The Gambia with the Port of Banjul playing an important role in the country's trade-oriented economy. Re-export activities are a cornerstone of the Gambian economy, accounting for about 15 per cent of GDP, 20 per cent of fiscal revenue, and 85 per cent of all exports. The country has traditionally been a large supplier of re-exported foreign manufactured goods (textiles, vehicles, rice, sugar, tea, construction materials, and other
