AFRICAN DEVELOPMENT BANK
Avenue Joseph Anoma, 01 B.P. 1387, Abidjan, CÔTE D'IVOIRE
Corporate IT Services Department (TCIS)
E-mail: IT_Recruitment@AFDB.ORG

1. The African Development Bank hereby invites Individual Consultants to indicate their interest in the following Assignment: *Senior SharePoint Developer*.

2. **Context and objective of the assignment**

The Bank is engaging in the implementation of its Digital Strategy and various Bank Units are collaborating to help automate business processes in creative yet effective and efficient manner. Among one of those initiatives is the SANKOFA Programme, which is being implemented in close collaboration with PSEG, TCVP, and implementing units. The programme needs to be scaled up in order to accelerate implementation Bank-wide.

One core component of the Programme consists of implementing collaboration features tightly linked with archiving and records management capabilities. The collaboration features are implemented using Sharepoint platform. The consultant will be involved in the implementation and rollout of the collaboration application

The objective will be to provide technical consulting services in the area of SharePoint and Front-end development for the Sankofa Programme, amongst others. The consultant may also be involved in training and support activities.

The consultants' duties will include the following:

- Develop software solutions by studying requirements analysis and information needs; conferring with stakeholders and IT Management; studying systems flow, data usage, and work processes
- Implement application development requirements, with a constant focus on coordinating business efficiencies through the activities of application development.
- Design, develop and maintain key components of the software suite using Sharepoint Online and SharePoint Server Platform, as well as other front-end HTML5 components
- Manage applications and configurations deployments for Bank's business units.
- Implement of SharePoint-based workflows
- Implement of Business Intelligence dashboards
- Implement Sharepoint integration with other systems, especially IBM Filenet.
- Participate in components architecture definition

- Document and demonstrate solutions by developing documentation, flowcharts, layouts, diagrams, charts, code comments and clear code.
- Coordinate and participate in system unit testing, and integration testing with promoting good practice and code standard
- Coordinate tasks with other developers when necessary.
- Participate to user trainings

3. Required skills and qualifications:

The candidates must have the following skills and qualifications:

- Master's degree or equivalent in computer science, software development.
- Minimum of five (05) years' experience in developing on SharePoint platform in an enterprise environment.
- Experience with SharePoint and Sharepoint Online required
- SharePoint Professional Certification is desirable (e.g. MCSD, MCSE and MCP).
- Mastering of .NET technology (C#, VB.Net), MVC
- Mastering of HTML5, CSS3, JavaScript and JavaScript Frameworks (JQuery, AngularJS, ReactJS), REST Web Services, OData,
- Experience with Power Apps and Power Automate desirable
- Experience with Power BI
- Experience with Office 365 and Azure Information Protection (AIP)
- Experience in Mobile Apps development
- Experience in Enterprise Content Management platforms is a plus (IBM Filenet preferably).
- Experience in Content Management Interoperability Services (CMIS) is a plus
- Advanced UI Design Skills
- Experience in using Azure DevOps and/or Microsoft Team Foundation Services and GIT is also plus.
- Excellent troubleshooting and debugging skills
- SQL knowledge and experience
- Experience of working with the Agile methodologies
- Skills in SAP and SharePoint Integration is a plus
- Proven track record to work to strict business deadlines
- Self-management and strong organization skills

4. The eligibility criteria, the establishment of a short list and the selection procedures shall be in conformity with the Bank's procedures for the acquisition of consulting services funded by the administrative or capital expenditure. Please, note that interest expressed by a consultant does not imply any obligation on the part of the Bank to include him/her in the shortlist.
5. The duration of services is **twelve (12) months**, from the date of signing the contract.
6. Interested Individual Consultants may obtain further information at the address below during the Bank's working hours: from 08:00 to 17:00 hours, Abidjan Local Time.
7. Expressions of interest must be received by email at the address below no later than **Tuesday, 16 January 2024 at 17:00 hours, Abidjan local time** and specifically mentioning **"Expression of Interest - Senior SharePoint Developer"**.
